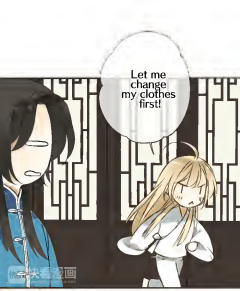
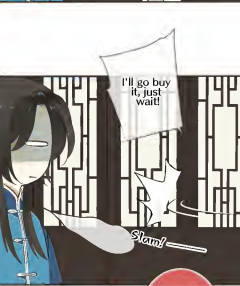
Xue, you must be hungry, I'll go get something for you to eat.
Thank you sister-in-law!!
I want to die!
Did she see it just now?!



Let me change my clothes first!



I'll go buy it, just wait!
Slam!

Sister-in-law is so cute, I really like her!

Glug glug

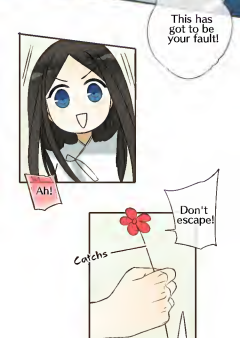
Slam!
What have I done, what have I done?!
Yuchi Lianfo, you can't behave like an animal!

She's the brat, even though she's grown up now (actually not really) and my sister saw us,
how could this be...
?

Improper behaviour!

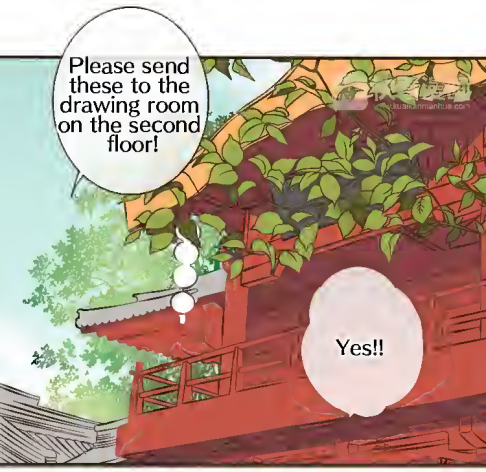
Brother Lian, is something the matter?

Fire-breathing aura~~



This has got to be your fault!
Ah!
Don't escape!
Catches

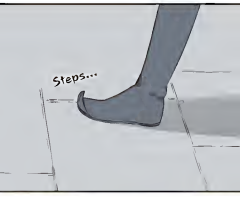
I heard everything you said in bed last night, don't lie to me!
Ah! Could it be that you don't like sister-in-law?
That's not the problem...
Then what's the problem? You kissed her so you have to take responsibility!
Hm.....
As a child, you shouldn't meddle in these affairs,
otherwise I'll...
You just want to kick Xue out again right!
Hmpf, big brother you may kick me out now, but just you wait, I will get you and sister-in-law together!!



Please send these to the drawing room on the second floor!
Yes!!

I need to calm down!
Ba-dump!

Ba-dump!
Oh god, my heart is beating so fast!
Ba-dump!

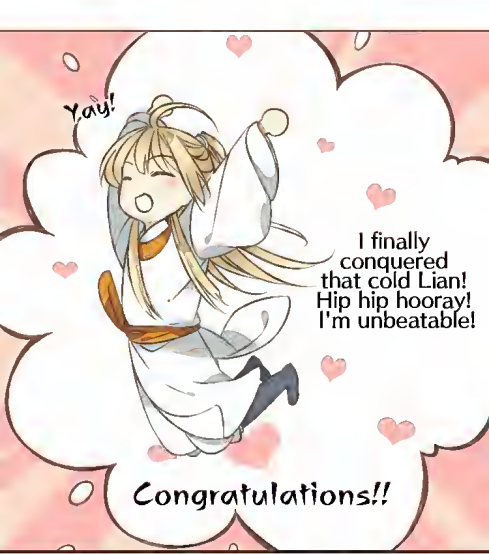


Steps...

I...
Ba-dump!
Ba-dump!

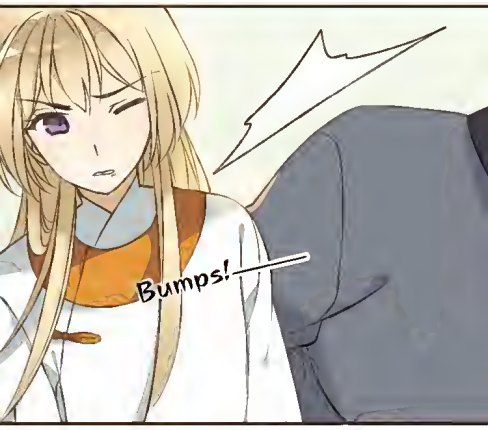
really did it!

Then that old stick in the mud Lianlian can't push me away anymore.
There shouldn't be any problems when I reveal my true identity and most importantly...



Yay!
I finally conquered that cold Lian! Hip hip hooray! I'm unbeatable!
Congratulations!!

Heehee, it's only a matter of time until I bring him back home!

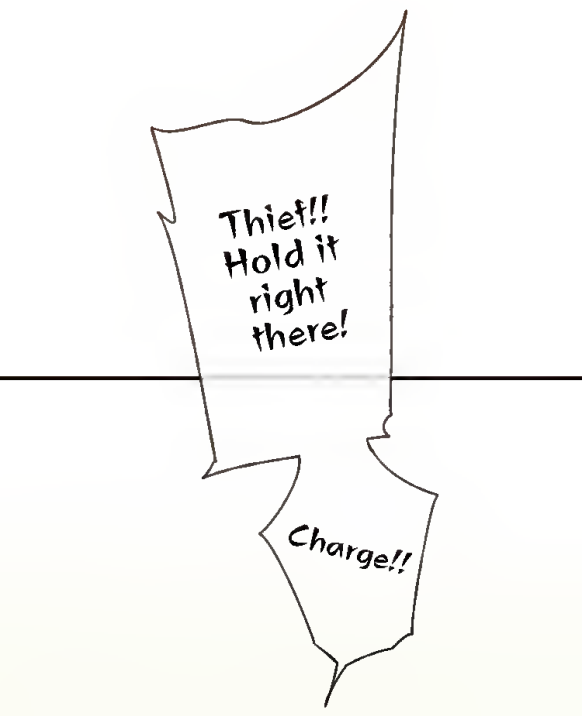


Bumps!

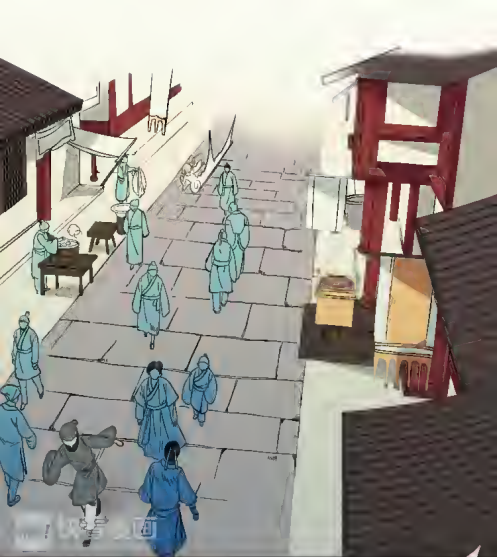
What was that for?

Eh? Where's my money pouch?

How dare he steal a young maiden's money!!

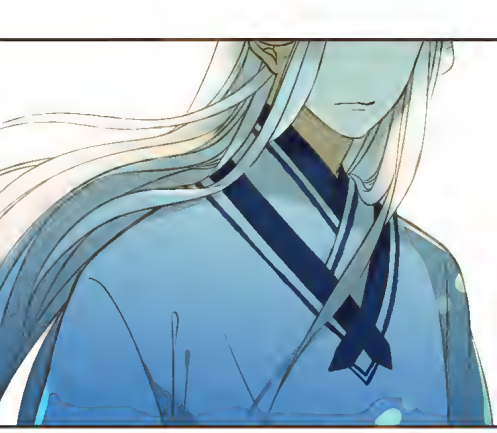


Thief!! Hold it right there!
Charge!!



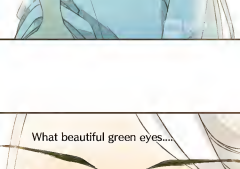
Just you wait, when I catch you I'll turn you into an eunuch!

Steps



Damn thief stop I said!
Crash——!
Ouch!!
Ow ow ow...
My apologies, young lady....

Are you alright? Let me help you up.



What beautiful green eyes....

Wait, y-young lady?

What kind of suspicious person have I bumped into? How does he know that I'm a girl with just a glance?
It can't be~
